

RAYMAN 3

ART BOOK

"Une conception, c'est d'abord un foisonnement d'idées plutôt anarchiques et pas toujours très réalisables.

Voici les mises en images de ces premières rêveries. Certaines se sont retrouvées dans le jeu, d'autres n'ont pas dépassé le stade du croquis. Mais quoiqu'elles soient devenues, elles ont toutes contribué à enrichir l'univers de Rayman 3 et à lui donner son âme.

Nous espérons que vous aurez autant de plaisir à les découvrir que nous avons eu à les imaginer."

Céline Tellier
Directeur Artistique

When a game is being conceived, it begins as a profusion of fairly anarchic ideas that aren't always very workable.

Here are a few images drawn from those initial daydreams. Some of them ended up in the game, while others didn't get beyond the drawing-board. But whatever became of them, they all helped make the Rayman universe a richer place, giving it genuine heart and soul.

We hope you'll have as much fun discovering them as we did dreaming them up!
